We are writing to invite you to join the MHS Music Boosters! The Boosters is an all-volunteer, nonprofit organization that has been established to work with students, families, teachers, school administrators, and community members to help enrich the music education of all our fine musicians in the MHS Band, Chorus, and Orchestra.

Unlike other booster organizations that mandate participation with high fees, the MHS Music Boosters operates on your voluntary membership contributions and involvement. For only \$40 annual dues, your donations go a long way to **directly** provide financial support to fund:

- Music scholarship for deserving MHS graduating Senior
- Field trips
- Guest artists, conductors, and music accompanists
- Commission music to be performed by our students
- Sheet music and scores
- Participation costs for regional and statewide musical ensembles
- Refreshments at recitals/concerts and for the MHS Pep Band at football games
- Music department website/app for schedules and information
- Equipment, supplies, and technology not provided for in the school budget

Every booster member will have their name printed in all concert programs throughout the school year. Please follow this link to fill out your membership form: <https://form.jotform.us/72325046117146>. Donations in addition to membership dues are always encouraged and deeply appreciated. All donations are tax deductible.

(Please note that we are no longer accepting memberships for the full four years. We want to thank you if you joined at that membership level in the past. We have retained your information, and additional donations are optional.)

We thank you for your generosity and always welcome your support! Please look us up on the MHS Music Department website and app at: www.millburnhsmusic.org or contact us at mhsmusicboosters462@gmail.com.

Sincerely,

Sharon Cohen, President
