

Dear MHS Music Families,

We are writing to invite you to join the MHS Music Boosters! The Boosters is an all-volunteer, nonprofit organization that has been established to work with students, families, teachers, school administrators, and community members to help enrich the music education of all our student musicians in the MHS Band, Chorus, and Orchestra.

Unlike other booster organizations that mandate participation and charge high fees, the MHS Music Boosters operates on your voluntary membership contributions and involvement. Your annual contribution of \$40.00 directly provides financial support to fund:

- Music Scholarships for deserving MHS graduating Seniors
- Guest artists, conductors, and music accompanists
- Commissions of music to be performed by our students
- Sheet music and scores
- Participation costs for regional and statewide musical ensembles
- Music Teacher Appreciation Lunch
- Refreshments at recitals and concerts and for the MHS Pep Band at football games
- Music department website and app for schedules and information
- Equipment, supplies, and technology not provided for in the MHS school budget

Every booster member will have their name printed in all concert program brochures throughout the school year

Donations in addition to membership dues are always encouraged and deeply appreciated. All donations are tax deductible. (Please note that we are no longer accepting donations for the full four years. We want to thank you if you donated at that membership level in the past. We have retained your information, and additional donations are optional.)

We thank you for your generosity and always welcome your input! Please look us up on the MHS Music Department website and app:
